

GEKO OFFIDA docg PECORINO BIO

Pecorino 100% organic

This wine is a tribute to the potential of Pecorino in our territory.

Straw yellow colour with golden reflections.

Complex and intense on the nose, with first impressions of sage followed by floral fruity scents of citrus, pineapple and acacia.

Its evolution is gradual in the glass, engaging, with great personality and persistence, sapid and soft, medium-bodied, with citrus and officinal herbs.
