

Klausura

OFFIDA docg ROSSO BIO

Montepulciano 90% - Petit verdot 10%

Born from the selection of grapes in the vineyard for a high-quality final product.

Intense ruby red with maroon reflections.

The bouquet is predominantly characterized by fruity notes, small black and red berries, plums and cherries.

Floral notes of violet and cyclamen. The long aging in barriques gives it further scents of spices and leather, derived from wood and its processing.

To the taste the wine reveals a pronounced but well balanced tannic texture.

Lingering flavours for a long finish, with spicy fruity memories.

18-20°C
